FOURTH DISTRICT IS NOW GETTING TO WORK

A meeting of the Fourth District committee, Republican party, was held in headquarters, Elite building, yesterday afternoon, for the purpose of considering the application of Caprice Phillips and Paul J. Jarrett for positions in the tax office, the endorsement of the committee having been asked for. Both applications were favorably acted upon and the members of the committee present signed their names to the communications.

The matter of the executive committee of the Fourth District committee was taken up for consideration and on reference being made to the records, it was found that there were two vacancies, one being caused by the death of A. F. Gillilan and the other by the departure from the city of Harold Mott-Smith. After a short argument, A. L. C. Atkinson was appointed to take the place of Harold Mott-Smith and A. V. Gear to take the place of A. F. Gillilan, deceased.

It was announced at the meeting that there would be a meeting of the executive committee this afternoon at 5 o'clock for the purpose of attending to some important matters of business.

W. C. King, one of the most active workers, the Fourth District has in the Republican ranks, suggested a plan by which the committee could get at the strength of the party in the district. He suggested the sending out of circulars and cards to doubtful voters asking them, in the event of their being Republicans, to return the cards with their names signed thereto. The committee would understand that in the cases of those not returning the cards, the recipients were among those who refused to espouse the Republican cause.

There was considerable discussion on this point. It was conceded by all of the members present that the plan was a good one and that the committee could not be in possession of too much information. The only question was about the time of sending out the cards and circulars. Some of the members were in favor of deferring action until after the registration for the regular fall election.

No definite action was taken on the proposition made by Mr. King but a committee of three consisting of W. C. King as chairman, Charles Wilcox and J. H. Wolf was appointed to take charge of the matter of canvassing the district, this committee to have full power to act.

On further reference being made to the records it was found that there were two vacancies on the auditing committee the only member remaining in the city being Charles Wilcox. Mr. Wilcox was chosen chairman of the committee and Dr. Burgess and J. Walter Jones were chosen in place of the absent men.

From the action taken by the Fourth District committee yesterday afternoon it can be seen that the Republicans believe in getting to work early and that when the campaign is fully on, every man on the committee will know just what to do and the whole body will be organized into a force that will be able to do some very effective work.

Y. M. C. A. ANNIVERSARY

Last night the Honolulu Y. M. C. A. celebrated its thirty-third anniversary in an appropriate manner. Speeches were made by Bishop Nichols, J. B. Atherton, the new president of the association, T. Atherton; vice president, J. P. Cooke; secretary, R. H. Trent; treasurer, C. H. Atherton. Secretary Brown in his report quoted figures of membership and accounts which showed that the organization was advancing in a satisfactory manner. Physical Director Fred Young spoke on the physical department and Prof. Edgar Wood on the educational department.

Musical selections were rendered by the Amateur Orchestra and Miss Edith Rogers sang "A Rose in Heaven". The evening ended with a basketball game between the L. L. L's and the Aloha which was won by the former team with the score 15 to 11.
